Two Valley attenders are leading an open Bible Study at a Senior Center; two of the participants are not believers – and challenging – but they attend and listening to the stories being shared.

H opened her home to a daughter’s friend who had been going through very tough family issues. H listened and then had the opportunity to share her faith story with the woman, who then accepted Jesus as her savior!

J shared her story and Pastor Jay’s sermon with her brother, who’s going through a difficult time but is “receptive” to the idea of Christianity.

Prison Ministry leaders shared their stories about what God has done in their lives. One of the inmates they have been working with is now a Christ-follower.

Carol was able to share her story about her love of Jesus with a co-worker!

Mike shared his story about what God has done in his life; his son-in-law heard and became a follower of Christ.

Dave shared what Christ has done in his life with another person, and at the Healing Prayer Service the person gave his life to Christ.
